

# Five Reasons to Transform Your Spend Management with SAP® Concur® Solutions

Managing travel, expenses, and invoices is a big job – for finance, employees, and your IT team. What if you could make travel and expense (T&E) management more efficient and effective by adding intelligence to these processes? SAP® Concur® solutions offer five ways of simplifying expense reports and invoicing – helping you create **total spend visibility, boost policy compliance, increase traveler convenience and safety, and reduce IT administration.**

## 1. SIMPLER EXPENSE MANAGEMENT

Capture and manage all your T&E data in one place – including direct bookings – so you can process reports and make payments faster.

**60%** Less time to complete an expense report<sup>1</sup>

## 2. TOTAL SPEND VISIBILITY AND ANALYTICS

Integrate T&E management with your broader ERP landscape to give finance and audit teams the data they need to analyze every aspect of your travel program and effectively manage spending.

**US\$672,000** Savings on business travel<sup>2</sup>

## 3. INTERNAL AND EXTERNAL POLICY COMPLIANCE

Build internal T&E policy into bookings and secure compliance with tax, visa, trade, and other government regulations to protect your business and your people from fraud, fines, and other penalties.

**98%** Of employees following corporate T&E policy<sup>3</sup>

## 4. BETTER EMPLOYEE EXPERIENCES

Record receipts, submit expense reports, book travel, and make changes on the go – all from a top-rated mobile app, without dependencies on IT.

**78%** Less time to book a business trip<sup>4</sup> **4.7** Of 5 stars on Apple App Store for SAP Concur mobile app

## 5. EMPLOYEE SAFETY

Give travel managers and security teams the tools and T&E data they need to immediately locate travelers and provide information and support in case of an emergency.

**Faster** Location of traveling employees in case of emergency – in hours, not days<sup>5</sup>

**Instant** Notifications and alerts that can be sent through multiple platforms to people located all over the world<sup>6</sup>

No wonder SAP Concur solutions claim **54% of global market share** for T&E software.<sup>7</sup> Managing travel and spending is a big job. With SAP Concur solutions, you're ready to tackle it.
