# Manage Your Budgets More Easily – and More Intelligently – with Budget from SAP Concur

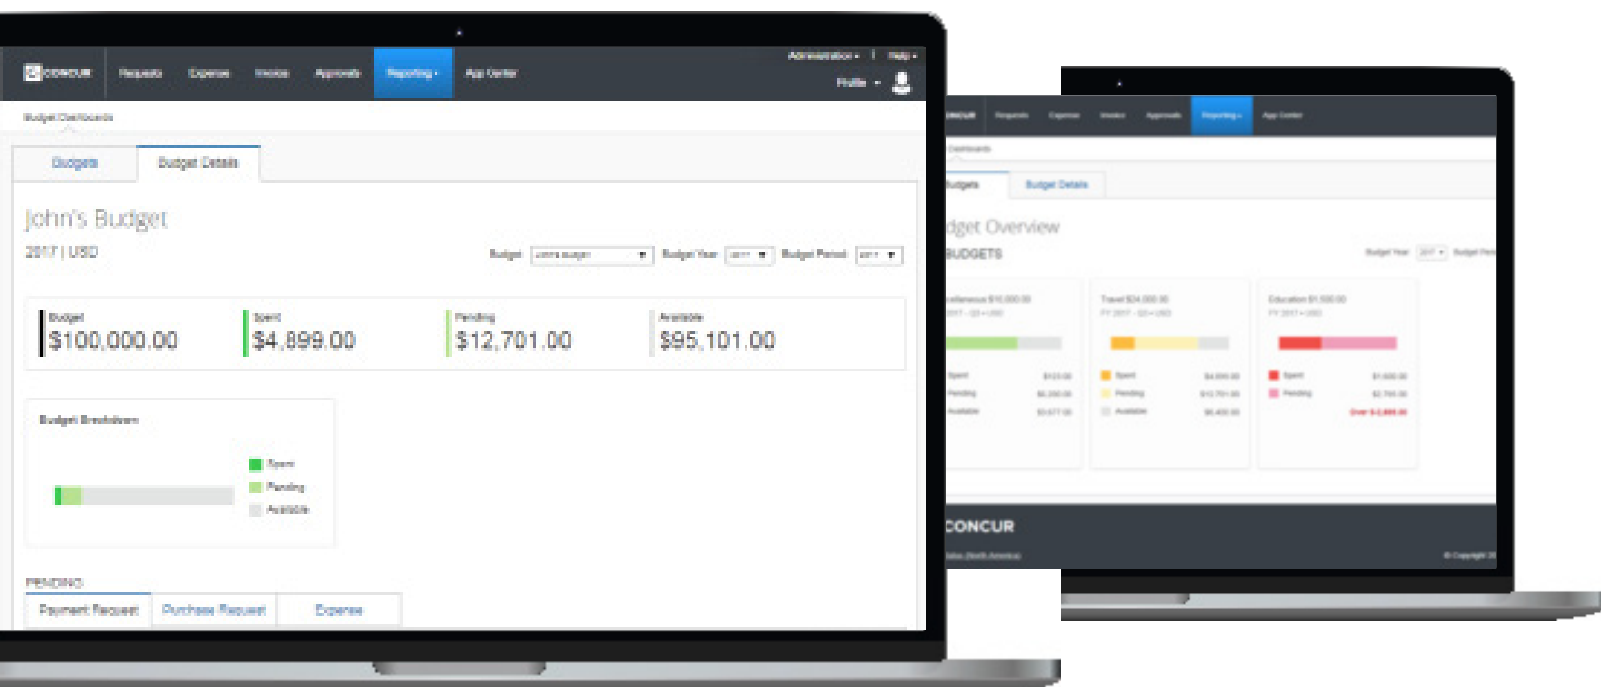

Budget gives you visibility and control of your budgets, providing an integrated, near real-time view of spend before and after it occurs. With the right information at your fingertips, you can make proactive,

## Seeing Is Great – Doing Is Even Better

Having 360-degree visibility of your budgets gives you deep insight, but being able to act on those insights offers even greater value. Budget puts you in the driver's seat, helping you to know what to do, when to do it, and who needs to be involved. You can be proactive when things go as planned – and quickly respond when they don't.

By viewing budgets from inside SAP Concur applications, you can see the impact of expense requests before approving them, leading to more informed decisions. Meanwhile, flexible workflows and permissions allow you to take the right action at the right time, while customizable alerts – like when you are approaching preset limits – ensure you're never caught off-guard.

Budget gives you the flexibility to track spending in the way that makes the most sense for you and your team. Customize Budget's hierarchies and build permissions around your company, department, or cost center. A range of visibility options makes sure people are connected to budgets appropriately.

## SATISLOH NORTH AMERICA CUSTOMER TESTIMONIAL#1

### Budget

**“Budget’s drill down ability grants us instant access into specific components of our daily spend which we’ve never had before.” — Kris Wendorf**

#### Company Description:

Satisloh is a global leader in both the precision optics and ophthalmic markets; manufacturing machines and providing technological solutions for spectacle lens production and precision optics applications. Satisloh provides customized cutting edge solutions and a large variety of surfacing, centering, polishing, coating and finishing equipment, consumables & tools, and services support.

#### Company Challenge:

Satisloh’s travel expenses are the biggest line items impacting their budget. Due to the fluctuating nature of travel costs, Satisloh needed a solution that would allow them to keep a close eye over their budget and accurately monitor spend in near real-time.

#### Solution:

Satisloh found a remedy to it’s situation in Budget. Budget’s color-coded visuals allows them to quickly access and interpret their most essential budget data—all in near real-time. Now Satisloh can accurately monitor their spend and keep a close eye over their budget.
